Mr. Charles Lafreniere,
CHRC,
Ottawa.

3 November 1986

Dear Mr. Lafreniere,

This is to say that I do not consider the 'Summary Report Prior to Designation of Investigator' an accurate reflection of my concerns or relevant policy.

I have met with you to explain the several instances where my concerns are directly misrepresented. I have also pointed out how the summary attributes ridiculous statements to myself, which I have not made. You have refused to change the summary.

I have also explained to you how the summary raises policy issues which are not relevant, and neglects those which are.

I find this unacceptable, and will not make any submission to the commission itself until my complaint has been summarized in a way that reflects my concern in a way other than one which is incomprehensible and apparently ridiculous.

Thank you,
